your solution provider for...

Industrial Kiln & Dryer Group is seeking an individual to fill the position of an **Experienced Millwright**. Suitable candidates should be able to

- All positions require millwright skills
- 3-5 years verifiable millwright experience
- Valid driver's license & dependable transportation
- **Extensive** travel required
- Must pass background check & drug screen

This job requires working on-site repairing equipment located at our customers' facilities. There will be heavy travel out of town with extended absences from home.

Job is structured as hourly and is eligible for overtime. Normally 12 hour shifts while on site. Pay rate based on experience and skills. Job travel expenses including hotel and per diem are paid. Also includes paid vacation, 401(k), health and dental insurance. High school or GED degree required. Trade school and college are a plus.

We are an Equal Opportunity Employer as well as a **drug free** organization. Periodic drug testing is required.
